**H**appy Father's Day! Don't forget Dad's special day on June 19th. Take a look inside and find some great gift and dining options to celebrate the day. We have two featured businesses this month, Fishbusterz on page 14 and Florida Keys Chiropractic & Therapy on page 22. You'll also find our new monthly feature page for the Key West

Wildlife Center on 24. It's the first day of summer on June 20th and we've already had some summer like weather, and speaking of weather, June also means it's time to have your hurricane preparedness plan in place so remember to stock that pantry. Have a great month and stay cool!

— Michelle and Michael Finger

### JUNE - NOVEMBER 30

**Key West Fishing Tournament** — More than 40 species of fish are targeted during these months, with divisions for men, women, junior anglers (ages 10 to 14), and Pee Wees (under 10 years old). The Key West Fishing Tournament strongly encourages the release of game fish. All participating anglers receive certificates noting their catches and qualify for a variety of prizes. Contact: Rob Harris 305-587-6718 Email: [director@keywestfishingtournament.com](mailto:director@keywestfishingtournament.com)

### THROUGH JUNE 7

**Key West Art & Historical Society presents: Roberta Marks** — “Roberta Marks: a Retrospective,” a cohesive exhibition of nearly 30 years of her mixed media work, is to be on display at the Custom House Museum. Marks, whose work has won many awards and is widely collected and featured at numerous museums and galleries throughout the country, creates mixed media pieces via photographs, paintings, collages, and constructions that investigate the mystery of being. Her constructions, fabricated using found, bought, or gifted objects and materials, are portrayed as stage sets, representing the artist’s existence and personal landscape. Contact: 305.295.6616 x 112.

### JUNE - JULY 31

**Key West Art Garden 2016** — Florida Keys artists and sculptors are featured in this open-air exhibit at the Key West Tropical Forest and Botanical Garden. Exhibit is open from 10 a.m. to 4 p.m. Entrance is free. Contact: 305-296-1504. Email: [kwbgs@kwbgs.org](mailto:kwbgs@kwbgs.org)

### JUNE 9 - 12

**Gathering of Howard Livingston’s Official “Friend Clubs”** — 300 registered attendees from all over the country representing more than 30 states and Canada will be in Key West for a gathering of the Southernmost Coconut Castaways (here in the Keys), the Coconut Castaways (the original Club is still in Iowa) and the Coconut Castaways of SW Florida (in Port Charlotte, FL.). With the official dates of June 9 – 12, but with pre-parties starting on June 7th and 8th, many attendees will be arriving as early as June 5th and 6th and leaving as late as the 14th. A week of fun AND fundraising as money is raised for KOA Care Camps, a camp for kids with cancer. Through raffles, silent and live auctions and so on, last June more than \$52,000 was raised and we hope to eclipse that this year through individuals and businesses interested in a Sponsorship and/or donating product and/or services to help us raise the money. ### JUNE 10 - 12

**Third Annual Mystery Writers Key West Fest** — Renowned mystery writers and acclaimed storytellers are to infiltrate the island where Hemingway and Tennessee Williams found their inspiration. **W**hen most people envision Key West and the Florida Keys they picture placid turquoise waters, warm ocean breezes and of course, the most delicious seafood in the world.

That's where Stock Island's own Fishbusterz Fisheries comes into the picture.

Serving up the freshest locally caught catch in the Keys, Fishbusterz are the largest wholesale fishery in the state of Florida.

Situated in Safe Harbor, Fishbusterz specialize in a diverse selection of the finest seafood our waters have to offer.

Specifically, Fishbusterz wants you to visit when you need your fix of Florida spiny lobster, stone crab, Key West pink shrimp, snapper, grouper, swordfish, tile fish, mahi mahi, tuna, mackerel or king fish.

Furthermore, patrons should stop by Fishbusterz for wholesale bait, ice and fuel, and check out one of the largest ice plants on the east coast.

Also, in a time where shopping and eating locally is vital to the local community, Fishbusterz are a USDC approved, HACCP compliant facility and have been shipping the highest quality wild-caught seafood both in the Keys and throughout the country for ten years.

In fact, the fishery's docks are located in what was the epicenter of the Key West pink shrimp world.

Treasured around the world for their pink color and sweet taste, this wild caught shrimp is truly a divine experience for the seafood lover.

While the thousands of shrimp boats that used to fill the docks are since gone, the delectable shell fish are not. And Fishbusterz is your go-to for one of the freshest, most delicious products found in our local fishing grounds.

So when you need fresh fish in your neighborhood, who ya gonna call?

Fishbusterz Fisheries, located at 6404 Maloney Avenue in Stock Island.

Have you noticed the new Florida Keys Chiropractic and Therapy office next to Winn Dixie in the Overseas shopping Center? Owner Darold ‘Phillip’ Leto, D.C., DACACD, was born and raised in Key West, but just recently moved back to this area from Savannah Georgia to establish a Key West chiropractic practice. Chiropractors treat the neck and spine, allowing the body’s nervous system to promote healing naturally.

Dr. Leto utilizes a variety of traditional chiropractic techniques, but also uses ‘torque release technique’ that is approved by the FDA for clients that are afraid to be ‘cracked’. This method also allows patients with prior spinal surgeries to still receive care. He utilizes modern physical therapy equipment such as the FDA approved

Erchonia Cold Laser, ultra sound and electric muscle stimulation to help patients recover from automobile accidents, back and neck pain, carpal tunnel syndrome, headaches, sports injuries, and TMJ.

As a Diplomat in Addiction and Compulsive Disorders, Dr. Leto helps patients that are abusing pain medications, alcohol, or illegal drugs. “I try helping people get out of pain both physical or mental” Dr. Leto shares. He uses a five step process that begins with counseling, vitamins, torque release technique, auriculotherapy, and group meetings. A goal of his is to help young adults avoid abusing drugs and to learn natural ways to deal with pain and stress.

Dr. Leto believes in giving outstanding service at an affordable price. He charges \$45 for adjustments and accepts all insurances including medicaid and medicare. He has a therapist that conducts massage therapy for one dollar per minute. For more information on services check out [DrDaroldLeto.com](http://DrDaroldLeto.com).

Dr. Leto has walk in hours Monday through Friday, from 10am to 7pm and Sat 10am to 1pm. He is offering a locals discount for anyone that mentions this article: \$30 for a 30 minute massage and only pay \$30 for the adjustment. Dr. Leto wants everyone to know, “If you don’t have your health, you don’t have anything.”
